The screenshot shows the 'Election Compass' website interface. At the top, there is a navigation bar with 'Home > Statements > Candidates > Result' and a language dropdown set to 'English'. Below this, a header for 'Bernie Sanders (D)' includes a small profile picture and a close button. The main content area is titled 'Energy' and contains the statement: 'The federal government should invest in renewable energy, even if it leads to higher costs and prices'. A link for 'FeelTheBern' is provided below the statement. At the bottom of the content area, there is a row of six response buttons: 'Strongly agree' (selected), 'Agree', 'Neither Agree Nor Disagree', 'Disagree', 'Strongly Disagree', and 'No opinion'. A small profile picture and the text 'The candidate answered' are visible to the left of these buttons. The footer contains links for 'Help | Browser limitations | Team | Disclaimer | FAQ |'.
